

ICDL: your TY digital skills module

ICDL offers the real world digital skills your students need to excel and become more productive learners, employees, entrepreneurs and citizens.

ICDL Profile Packs contain everything your students need to achieve an employer-demanded **certification**.

With complete flexibility and over 25 modules to choose from, including **new STEM modules you have plenty of choice to tailor a digital skills TY module that fits your timetable.**

With eLearning and online tests your **students are ready to go.**

ICDL offers your students **third-level readiness** and is industry-recognised. Digital certificates they can keep for life are included as standard.

ICDL has been designed with you in mind. **Free resources for teachers** are included as well as easy set up, online guidance and a friendly support team on hand.

ICDL effortlessly slots into the TY schedule

Our sample 12-week timetable below shows you how easily you can offer ICDL in TY. With ICDL you can choose any module combination from our range of over 25 modules to suit your timetable and curriculum objectives.

Week	Module
1 & 2	Teamwork
3 & 4	Spreadsheets
5 & 6	Presentation
7 & 8	Digital Marketing
9	Cyber Security
10	Cloud Computing
11	Internet of Things
